

ONS 2010

STAVANGER, NORWAY, 24-27 AUGUST 2010

EXHIBITION CONFERENCE FESTIVAL

USA PAVILION BENEFITS

Offshore Northern Seas is one of the world's leading offshore oil and gas equipment shows and conferences. At ONS 2008, 1,200 exhibitors showcased leading technology and services to more than 40,000 buyers and visitors. International participation at ONS 2008 included attendees from 100 nations and national pavilions from 19 nations. The total exhibition area for the event was 17,500 square meters.

Exhibitors normally develop high quality leads from this trade fair as a result of their participation. For some exhibitors, contracts are signed on site.

Exhibit in the USA Pavilion at ONS 2010 and you will receive:

- A turnkey, hard-wall booth completely ready to use. Simply bring your products, graphics and brochures. You avoid the costs and hassles of shipping your exhibit system and setup.
- Your company listing in the official ONS 2010 Exhibitor Catalog.
- Your company listing and logo in the special USA Pavilion Brochure.
- Official U.S. Reception for USA Pavilion exhibitors and key industry customers and contacts.
- Benefits of the combined marketing programs of the ONS Organizer, the U.S. Commercial Service, and McNabb Marketing Resources.
- Exclusive use of the USA Pavilion meeting area for USA Pavilion exhibitors and their guests.
- U.S. Commercial Service marketing support and access to marketing and translation services.
- Soft drinks, water and beer are provided for exhibitor personnel and their guests.
- Exhibit package includes: furnishings, carpeting, shelving, spotlights, company sign, walls, storage space, electricity.
