

INVITATION TO EXHIBIT IN THE USA PAVILION AT THE OFFSHORE NORTHERN SEAS (ONS) EXHIBITION AND CONFERENCE IN STAVANGER, NORWAY, AUGUST 24-27, 2010

We invite you to exhibit in the USA Pavilion at ONS 2010, one of the world's major trade shows and conferences for the offshore oil and gas industry. Scheduled for August 24 - 27, 2010 in Stavanger, Norway, ONS has been a biennial event in the oil and gas "capital" of Norway since 1974.

At ONS 2008, 1,200 companies showcased world-class technology and services to 40,000 buyers and visitors from 100 nations.

The USA Pavilion at ONS 2010 is supported by the U.S. Commercial Service (U.S. Department of Commerce) and organized by McNabb Marketing Resources.

Norway, as the world's third largest exporter of both crude oil and natural gas, continues to be at the forefront of efforts to develop offshore resources in ever more challenging environments.

ONS 2010 is an excellent venue for showcasing U.S. products, technology and services to the global offshore oil and gas market. Innovative ideas, new solutions and new approaches to economic and environmental challenges facing the industry are all part of the exhibition and conference of ONS 2010.

The USA Pavilion offers fully furnished and equipped stands, hospitality and meeting areas for exhibitors and guests, special business briefings, introductions and matchmaking services, and a networking reception with key contacts in the offshore energy sector—all included in the Pavilion stand fees.

For more information, or to register for the USA Pavilion at ONS 2010, please contact: Dave Jackson, USA Pavilion Coordinator, McNabb Marketing Resources, or Vidar Keyn, Senior Commercial Specialist, U.S. Embassy, Oslo:

Dave Jackson	Tel: (207) 236-6196	Fax: (207) 236-0369	djackson@mcnabbmarketing.com
Vidar Keyn	Tel: 47-21-30-88-34	Fax: 47-22-55-88-03	vidar.keyn@mail.doc.gov

You will also find more general information about ONS 2010 on the website: www.ons.no.
