

Welcome to SMM 2018

Welcome to the Shipbuilding, Machinery and Marine Technology Exhibition, SMM 2018. U.S. exhibitors located in the USA Pavilion and throughout the Hamburg Fair halls are looking forward to meeting you.

As the official directory of U.S.-registered exhibitors, this brochure is your guide to U.S. shipbuilding, machinery, and marine technology companies devoted to providing commercial maritime solutions in the global marketplace.

The U.S. Commercial Service of the U.S. Department of Commerce is proud to be part of the USA Pavilion.

SMM Visitors can rely on the support of the U.S. Commercial Service in the USA Pavilion to help connect them to the most innovative U.S. solutions. My colleagues from the Commercial Service are able to help you connect with U.S. exhibitors at the show or throughout the year. Visit us at the pavilion or contact us at office.dusseldorf@trade.gov; www.export.gov.

John McCaslin
Minister Counselor for Commercial Affairs
Regional Senior Commercial Officer

Tel: 1-314-756-9300 Fax: 1-314-756-9306
E-mail: solutions@sciencofast.com Web: www.sciencofast.com

Innovation is at the core values of Scienco/FAST. Manufacturing certified Marine-FAST® Sewage Treatment Systems to go beyond requirements to keep the vessel in compliance with thousands of installations all over the world, Scienco/FAST & BioMicrobics have decades of experience with their pre-engineered, modular units to provide good and reliable wastewater treatment on projects of all types.

SEAKEEPER, INC.

44425 Pecan Court, Suite 151
California, MD 20619 USA
Tel: 1-410-326-1590
E-mail: sales@seakeeper.com Web: www.seakeeper.com

Founded in 2003 by a successful entrepreneur and a naval architect, Seakeeper is the global leader in marine stabilization. Seakeeper's innovative technology changes the boating experience by eliminating up to 95 percent of all boat roll, the rocking motion that causes seasickness, fatigue, and anxiety.

STI Marine Firestop

210 Evans Way
Somerville, NJ 08876 USA
Tel: 1-908-526-8000 Fax: 1-908-231-8415
E-mail: customerservice@stmarine.com Web: www.stmarine.com

STI Marine manufactures an innovative line of pipe penetration seals and cable transit systems for use in fire-rated bulkheads and decks. Products include watertight sealant, multiple pipe material firestop collars from very small to very large diameters, and the EZ-Path® Marine Cable Transit, the industry's only zero-maintenance solution for cable sealing in non-watertight applications.

Vericor Power Systems

3625 Brookside Parkway, Suite 500
Alpharetta, GA 30022 USA
Tel: 1-770-569-8800 Fax: 1-770-569-7524
Email: info@vericor.com Web: www.vericor.com

Vericor is the OEM for the TF Series marine gas turbines used in propulsion in both naval and commercial vessel applications. Vericor gas turbines power the U.S. Navy LCAC fleet and the Swedish Navy Visby class corvette, and are used in Korean and Japanese Navy applications. Vericor engines are ideally suited to fast ferries, fast crew supply, and other high-performance platforms.

WCR

2377 Commerce Center Boulevard, Unit B
Fairborn, OH 45324 USA
Tel: 1-937-223-0703 Fax: 1-937-223-2818
E-mail: swalker@wcrhx.com Web: wcrhx.com

WCR—the global specialist in plate heat exchanger services. WCR USA manufactures high-quality OEM-compatible plates and gaskets for common plate heat exchanger brands, both old and new types. WCR quality-controlled plate cleaning and regasketing service centers in the U.S., Europe, and Asia. WCR keeps large inventories for fast deliveries.
