## **INMEX SMM India 2021... A platform that will reap you benefits of India's growth**

- The event has its reputation in the industry eco-system and is well supported by Ministry of Shipping, Indian Ports Association, Directorate General of Shipping, and Indian Register of Shipping.
- The event is attended by industry leaders, key decision makers, government agencies and key trade associations from India and across the globe.
- The event includes a conference series, where industry stalwarts help you discover the industry's best practices.
- It is an excellent platform to meet and greet old and new customers and explore new business opportunities.

Informa Markets, in collaboration with Hamburg Messe und Congress GmbH, organises a shipping industry centric business event in India. The latest edition of the event was held from 3rd to 5th October 2019 in Mumbai and included three days of networking through exhibition, B2B meetings, and knowledge sharing sessions like conferences / panel discussions for the industry stakeholders.

INMEX SMM India 2019 witnessed keen participation from industry leaders, key decision makers, government agencies, key trade associations and more.

The show covered the entire spectrum of shipping and maritime related technologies & solutions under the following product categories:

### Shipyards and Boatbuilders

- Shipbuilding
- Shipyard equipment
- Ship recycling
- Boat and yacht builders

### Ship Equipment Suppliers
